THE OPPORTUNITY

With buyer confidence returning to the market, and the bottom of the adjustment seemingly in the rear-view mirror, opportunities to secure quality 3 bedroom homes at attractive prices may be short lived. Couple that with and increased activity amongst downsizers, the news of loosening loan serviceability requirements and first home buyers incentives, this could just be the recipe for a bounce back in prices, so strike whilst the iron is hot, because things may be about to change and prices may not look this attractive for long!

Offering a practical and low maintenance design, this meticulously maintained 3 bedroom, 2 bathroom, double
