THE LIFESTYLE

A contrast of eras, this exceptional property stands proud on nature's doorstep, surrounded by property and reserve that is a reminder of times that have past. On the one hand, we have modern architecture, oozing luxury with all the latest technology and creature comforts you could expect from a property of this calibre; whilst on the other, Hastings Point remains a quaint coastal town, seemingly frozen in time, where people walk slowly, taking their time to appreciate the pristine surroundings. Immersed in nature, whether in the winding waterways, the beach tracks and bush walks or watching the sun rise over the waves or set across the ranges, there is a rhythmic flow to life in Hastings Point and a lucky few get to ride this lifestyle all year long!
