THE OPPORTUNITY

Tightly held and always in demand, this north-facing three-bedroom home is a smart entry into Pottsville-offering the rare combination of freestanding living, a premium elevated position, and the chance to add your own style over time.

As one of the largest and most elevated blocks in the community, you will enjoy extra breathing room, great natural light and a lovely coastal feel-with plenty of potential to make it your own.

If you've been looking for an entry level, freestanding home in a location where lifestyle and resale appeal do the heavy
